

# Underfloor Insulation Blanket

Mammoth underfloor blanket is made from 100% polyester and is a great option for reducing heat loss through suspended timber floors.

Mammoth® underfloor blanket is recommended only for experienced installers or builders as the insulation is stapled into place between floor joists near electrical wiring. Mammoth polyester insulation is moisture resistant and so is the preferred option for suspended floors.

Also available are high-performance, self-supporting, easy-to-install [Mammoth underfloor sections](#) with a higher R-value and our [Carpark Panels](#).

Mammoth products contain recycled polyester fibres. Mammoth underfloor blanket insulation uses up to 3,300 recycled plastic bottles per 100sqm\*.

## KEY FEATURES

- 100% polyester carded thermal insulation in a soft, roll-form for residential and commercial applications.
- Mammoth products use recycled polyester fibres. The equivalent of 2,770 to 4,250 recycled plastic bottles are used per 100sqm\* depending on product R-Value.
- Mammoth is moisture, mould and mildew resistant. Mammoth insulation will continue to perform once dried out.
- Lightweight and easy to handle - can easily be torn to length or cut with shears.
- Available in varying widths to minimise waste.
- Non-corrosive - will not affect electrical wiring underfloor.
- Heat bonded - no glues or binders that can break down so it won't sag or settle over time.
- Red List Free - no formaldehyde or pesticides added.
- Safe, non-itch, odourless and non-toxic - no precautions are required for handling the product.
- All of Mammoth underfloor blankets are BRANZ 802 Appraised and have Eco Choice Aotearoa (prev. Environmental Choice) certification.
- Long lasting, Mammoth insulation is performance warranted for the lifetime of the product (T&Cs apply).
- Mammoth products are made in a zero waste production process and are fully recyclable.
- Mammoth underfloor insulation products have an Ozone Depleting Potential (ODP) of zero.

\* Calculations are based on 500ml PET Bottles (16.2g).
